**WITNESSETH:**

**THIS LEASE SUPERSEDES AND VOIDS ALL FORMER AGREEMENTS BETWEEN CUMBERLAND COUNTY, TENNESSEE AND CUMBERLAND COUNTY RED CROSS AND EXPLICITLY VOIDS THE LEASE AGREEMENT RECORDED IN BOOK 1346, PAGE 656, REGISTER'S OFFICE, CUMBERLAND COUNTY, TENNESSEE.**

1. Premises, Term and Rent. Landlord leases to Tenant, and Tenant leases from Landlord, a part of the property described in Exhibit A attached hereto (the "Premises") Cumberland County Archives and Family History Center Building located at 106 East 2<sup>nd</sup> Street in Crossville, Cumberland County, Tennessee (the "Building"). The Premises contains **Rooms Marked #5, consisting of 240 square feet, #7 consisting of 515 square feet, #12 consisting of 208 square feet and Room #15 consisting of 500 square feet (See Attached Exhibit "A").** All of these rooms are located on the **First Floor** and Room #15 has direct access outside the building and **Red Cross agrees to allow ingress/egress for Archive Personnel** conducting their duties. The term of this Lease shall be from **January 21<sup>st</sup>, 2016 to the January 20<sup>th</sup>, 2017**, at an annual rental of **ONE (\$1.00) Dollar**, payable in annual installment of **ONE (\$1.00) Dollar** each, which rental Tenant covenants to pay as and when due.

2. Appurtenances. Landlord grants to Tenant, and covenants that Tenant shall have during the term of this Lease, at no additional cost to Tenant, the use of all parking spaces provided by the City of Crossville around the Building as may be needed, the non-exclusive use of common areas.

3. Tenant's Repairs and Utilities. Tenant will keep the Premises, including without limitation, interior walls, floors, ceiling and light fixtures, as clean and in as good repair as the same are at the commencement of this term or may be put in during the continuance thereof, reasonable wear and tear and damage by fire, other casualty, or condemnation excepted. Landlord will keep the Building insured against damage by fire and other casualty. The Tenant will be responsible for insurance upon the contents and all personal property on the premises.

Landlord shall be responsible for the payment of electrical, natural gas, water and sewer and other utilities serving the Premises.

4. Landlord shall maintain and keep in good repair and working order the roof, exterior walls, HVAC system, electrical wiring, and plumbing system of the Building, the adjoining yard and parking lot, and all underground water and sewerage pipes. Landlord shall keep the Building insured against damage by fire and other casualty.

5. Right of Entry. Landlord may at reasonable times and on reasonable notice to Tenant enter the Premises to inspect it and make any repairs required by Section 8 or required by Section 7 that Tenant has failed to make, and during the ninety (90) days preceding the expiration of this Lease, may show the Premises to persons who may wish to lease the same, provided Tenant's occupancy is not interfered with. If Landlord makes any repairs required to be made by Tenant under Section 7, Tenant shall pay Landlord as additional rent a sum equal to the amounts expended by Landlord plus interest thereon at the maximum legal contract rate within TEN (10) days after Landlord presents Tenant with a statement setting forth the repairs made and the amounts expended.

6. Renovations and Alterations of Premises. Subject to Landlord's approval of all plans and specifications for material renovations and alterations and subject to the condition that Tenant shall allow no lien to be placed against the Premises [or the Building], Tenant shall have the right, at its sole cost and expense, to renovate, alter and use the Premises in connection with its business and to make related improvements. All alterations, additions, repairs, replacements and improvements made to or upon the Premises shall be deemed to be part of the Premises and shall become the property of Landlord upon the expiration or termination of this Lease; provided, however, that trade fixtures, machinery and equipment that are installed by Tenant and removable without materially injuring the Premises shall remain the property of Tenant. All such alterations, additions, repairs, replacements and improvements made to or upon the Premises shall comply with all present and future governmental laws and regulations. No approval by Landlord of any plans or specifications for material renovations or alterations by Tenant shall be construed to warrant that such plans or specifications comply with any governmental laws or regulations.

7. Fire or Other Casualty. If the Premises should be damaged or destroyed by fire or other casualty so as to cause a material alteration in the character of the Premises and to prevent Tenant from using it in substantially the manner heretofore used, either Landlord or Tenant may terminate this Lease upon giving notice to the other within fourteen (14) days after the casualty occurs. Should such termination occur on any day other than the last day of a monthly rental period, any unearned prepaid rental shall be refunded to Tenant.

If the Premises are materially damaged by fire or other casualty and neither party elects to terminate this Lease, or if the Premises should be damaged by fire or other casualty and still be fit for Tenant's continued use in substantially the same manner as heretofore used, then this Lease shall continue in effect and the Premises shall be restored by Landlord. If the event causing damage was not caused by the fault of Tenant, while such restoration is in progress Tenant shall be entitled to a fair and appropriate abatement

of the rental to be paid, said abatement to be based on the amount and value of the Premises used by Tenant. Should the damage necessitating such restoration occur on any day other than the last day of a monthly rental period, then the amount of prepaid rental to be refunded to Tenant shall be based on the amount and value of undamaged space used by Tenant during the remainder of said monthly rental period.

8. Holding Over. Should Tenant hold over the term hereby created with the consent of Landlord, Tenant shall become a tenant from month to month at the monthly rental then payable hereunder and otherwise upon the covenants and conditions in this Lease contained, and shall continue to be such Tenant until thirty (30) days after either party serves upon the other notice of intention to terminate such monthly tenancy. Should such termination occur on any day other than the last day of any rental period, any unearned prepaid rent shall, immediately following surrender of the Premises to the Landlord, be refunded to Tenant.

9. Use of Premises. The Premises shall be used for the purposes of the use and Benefit of the American Red Cross and other related purposes. Tenant shall not at any time use or occupy the Premises in violation of restrictions or laws, ordinances or regulations of any government or agency having jurisdiction, or in violation of Landlord's insurance contract(s), or in a manner creating a nuisance.

10. Insurance. All property of any kind that may at any time be used, left or placed on the Premises during the term of this Lease shall be at the sole risk of the Tenant. Tenant shall carry contents coverage insurance on its contents.

To the extent not covered by insurance, Tenant will save, indemnify and hold Landlord free and harmless from any and all liability or any injury, loss or damage to person or property arising out of any cause associated with its business or use of the Premises, including its omission to act.

Tenant agrees to provide public liability insurance naming Landlord as additional insured to protect Landlord from loss customarily covered by such insurance in at least the following amount:

\$300,000.00 - Combined Single Limit

11. Surrender of Premises. At the expiration of the term of this Lease, Tenant shall peaceably yield up to Landlord the Premises and all erections and additions made thereto except as hereinbefore provided, in good repair in all respects, reasonable use, wear and tear and damage by fire or other casualty or by condemnation excepted.

12. Quiet Enjoyment. As long as Tenant is not in default hereunder, Landlord covenants that Tenant shall peaceably hold and enjoy the Premises, subject to the terms of this Lease. All entrances, exits, approaches and means of entrance and approach, and

all access to light and air now enjoyed by the Premises, shall be and remain intact and uninterrupted by any act of Landlord during the term of this Lease.

13. Eminent Domain. If the whole of the Premises shall be taken or condemned by any competent authority for any public use or purpose as shall materially change the character of the Premises so as to prevent Tenant from using it in substantially the same manner as heretofore used, the term hereby granted shall cease on the day prior to vesting of title in such authority and an appropriate pro rata portion of any rent paid in advance by Tenant shall be refunded.

If a portion of the Premises shall be condemned or taken, and if such taking does not result in a material alteration in the character of the Premises so as to prevent Tenant from using it in substantially the same manner as heretofore used, then this Lease shall continue in effect, and any damage to the Premises shall be repaired by Landlord. After the date Tenant is required to surrender possession of the portion taken, the rental payable hereunder shall be reduced in proportion to the decrease in the fair rental value of the Premises.

The entire award of damages or compensation for a taking of the Premises, whether such taking be in whole or in part, shall belong to and be the property of Landlord, except for such compensation as may be made for Tenant's moving or relocation expenses, Tenant's business interruption losses and for the taking of Tenant's trade fixtures, which compensation shall belong to and be the property of Tenant.

14. Assignment and Subleasing. Tenant may not assign or encumber this Lease or sublet the Premises, either in whole or in part, without the prior written consent of Landlord, which consent may be withheld by Landlord for any reason or for no reason. Consent to one assignment or subletting shall not be deemed a consent to any other. The transfer of the majority of the voting stock of Tenant if Tenant is a corporation, the transfer of a majority of the partnership interests in Tenant if Tenant is a partnership, and any transfer by operation of law will be deemed "assignments" requiring Landlord's consent. In the event of any assignment or subletting, Tenant shall remain fully responsible under this Lease.

15. Attorney's Fees. In the event it becomes necessary for Landlord to employ an attorney to enforce collection of the rents agreed to be paid, or to enforce compliance with any of the covenants or agreements herein contained, or in connection with Tenant's default or breach hereunder, Tenant shall be liable for reasonable attorney's fees, costs and expenses incurred by the Landlord.

16. Notice. Any notices required to be sent hereunder shall be hand delivered or sent by certified mail to the following addresses:

Landlord: Cumberland County  
2 N. Main St., Suite 203

Crossville, TN 38555

Tenant: Cumberland County Red Cross  
106 East 2<sup>nd</sup> Street  
Crossville, TN 38555

17. Default and Remedies. Each of the following events shall constitute a default or breach of this Lease by Tenant:

(a) If Tenant shall fail to pay Landlord any rent when due, within TEN (10) days after Landlord notifies Tenant that it is unpaid.

(b) If Tenant shall fail to perform or comply with any of the other condition, term or agreement in this Lease as set forth herein within thirty (30) days after notice by Landlord to Tenant specifying the condition to be performed or complied with; or, if the performance cannot be reasonably had within the thirty (30) day period, Tenant shall not in good faith have commenced performance within the thirty (30) day period and shall not diligently proceed to completion of performance.

In the event of any default hereunder, Landlord, at any time thereafter, may terminate the Lease at its option and/or re-enter the Premises and expel, remove and put out Tenant or any person or persons occupying the Premises and remove all personal property therefrom as allowed by law. Upon re-entry Landlord may, at its option, relet the Premises or any part thereof [as the agent of Tenant], and Tenant shall pay Landlord the difference between the rent herein reserved and imposed for the portion of the term remaining at the time of re-entry and the amount received under such reletting for such portion of the term; additionally, Landlord may also recover from Tenant any other sums (including rents) then due. Landlord may also terminate this Lease and, at its option, recover from Tenant any sums then due as well as the amount by which all rent and other payments to be made by Tenant exceed the reasonable rental value of the Premises for the remainder of the Lease term. Notwithstanding any other provision herein contained, Tenant shall be responsible for all losses (including loss of rents) and damages resulting from any default and/or termination.

All actions taken by Landlord pursuant to this Section shall be without prejudice to any other remedies that otherwise might be used for the collection of rents or for the preceding breach of covenant or conditions or for default.

Landlord may elect, but shall not be obligated, to comply with any condition, term or agreement required hereby to be performed by Tenant, and Landlord shall have the right to enter the Premises for the purpose of correcting or remedying any such default and to remain until the default has been corrected or remedied, but any expenditure for such correction by Landlord shall not be deemed to waive or release the default of Tenant or the right of Landlord to take any action as may be otherwise permissible hereunder in the case of any default.

18. No Waiver. The subsequent acceptance of rent hereunder by Landlord shall not be deemed a waiver of any preceding breach of any obligation hereunder by Tenant

other than the failure to pay the particular rental so accepted, and the waiver of any breach of any covenant or condition by Landlord shall not constitute a waiver of any other breach regardless of knowledge thereof.

19. Gender. Wherever appropriate herein, the words "Landlord" and "Tenant" and the pronouns referring thereto, shall be construed singular or plural, masculine, feminine or neuter as the facts warrant.

20. Signs. Tenant shall have the right, upon Landlords approval, to erect, affix or paint signs on or about the Premises and the right at its option to remove said signs upon the termination of this Lease, it being agreed that Tenant shall repair any damage to the exterior of the Building caused by the removal of said signs.

21. Subordination. Upon written notice by Landlord to Tenant, this Lease shall be and become subject and subordinate to any and all mortgages or deeds of trust now existing, or that hereafter may be executed, covering [the Building or] the Premises, for the full amount of all advances made or to be made thereunder and without regard to the time or character of such advances, together with interest thereon, and subject to all the terms and provisions thereof. Tenant agrees to execute, acknowledge and deliver upon request any and all documents or instruments requested by Landlord or necessary or proper to insure the subordination of this Lease to any such mortgages or deeds of trust; provided, however, that the foregoing provisions with respect to such subordination shall not be effective unless the owner or holder of any such mortgage or deed of trust shall execute with Tenant a non-disturbance and attornment agreement under which said owner or holder shall agree to accept the attornment of Tenant upon foreclosure of any such mortgage or deed of trust, if Tenant has not been in default. Tenant hereby agrees to attorn to any person, firm or corporation purchasing or otherwise acquiring [the Building or] the Premises at any sale or other proceeding or pursuant to the exercise of any other rights, power or remedies under such mortgages or deeds of trust, as if such person, firm or corporation had been named as Landlord herein.

22. Sale of Subject Property; Right of First Refusal. N/A

23. Tenant's Option to Purchase. N/A

24. Entire Agreement. The entire understanding between the parties is set out in this Lease, this Lease supersedes and voids all prior proposals, letters and agreements, oral or written, and no modification or alteration of this Lease shall be effective unless evidenced by an instrument in writing signed by both parties. This Lease shall be interpreted and construed in accordance with the laws of the State of Tennessee.

**BUDGET RESOLUTION**

*J. Homburg*

To the Cumberland County Commission meeting in regular monthly session, this \_\_\_\_\_ day of \_\_\_\_\_, 2016.

WHEREAS, the Cumberland County Board of Education/School Nutrition Program requests the following budget resolution be approved for additional USDA funds designated to minimize charges incurred for storage and distribution of USDA foods from state contracted warehouses.

**INCREASE REVENUE:**

143-47114 Federal Reimbursement via State – Other \$10,611.30

**TOTAL INCREASE** **\$10,611.30**

**INCREASE EXPENDITURES:**

143-73100-354 Transportation - Commodity Delivery \$10,611.30

**TOTAL INCREASE** **\$10,611.30**

The Departments of Agriculture and Education receive formula based federal funds for state administrative expenses. USDA issued guidance re-interpreting "state level" administrative expenses to include storage and distribution costs paid by SFAs to state contracted warehouses. Therefore, excess funds have been issued as rebates to SFAs. The amount of excess funds available for rebates will fluctuate each year and the rebate program may or may not occur in the future depending on funding levels.
